WORKSHOP: HONORING ANCESTORS HEALING THE PAST & RECLAIMING YOUR SPIRIT

As we approach the season of the ancestors—we discover the perfect junction to take pause and to remember memories we have locked up within us for lifetimes. Come and release the ancestral patterns that prevent you from owning your sacred ability to heal, be happy and prosper. At this, Mother Maya's 5th annual workshop for Honoring Ancestors, you'll soak in her wisdom and presence for the entire weekend.
