WOMEN'S POWER TO HEAL WORKSHOP

Mother Maya offers a revolutionary idea: that women contain the inner power to reconnect with their female nature and heal themselves. In this practical, entertaining, and informative workshop, Mother Maya looks to ancient Vedic practices, which deliver simple, powerful healing tools that are a woman's birthright. Through these ahimsa practices, women of all ages, backgrounds, and cultures can transform disease and despair into health, and abundance.

CE Credits: This program is eligible for 8 credits for yoga instructors (YA), \$20 additional charge
